

KEY SOLUTION

# Project Cargo

We handle all aspects of our clients' global cargo projects, including pre-shipment risk evaluation, cost and delivery evaluation, surveying of routes and departure/arrival ports, documentation handling, packing coordination, transportation mode analysis, and more.

## Heavy projects just got lighter.

Managing heavy lift projects requires special expertise, care and detailing. We have built a formidable reputation in Project Cargo Logistics and heavy lift shipments with our dedicated operations team who have a thorough understanding of handling cargo's with ports, customs and transport agencies. We offer innovative Project Cargo Handling solutions as well as technical engineering services to manage the project completely from start to finish, ensuring timely delivery of your valuable goods.
